SCHOLARSHIP POLICY

In the interest of goodwill, continued growth and promotion of the CISEC certification program, it shall be the policy of CISEC, Inc. to consider the annual award of one scholarship to worthy candidates. The execution of these awards is contingent upon the financial means of the organization as deemed by Board approval when such motion is presented as new business.

PURPOSE

The CISEC, Inc. Board of Directors is comprised of individuals of differing backgrounds who are committed to the development of its professional certification. The Board's diversity combines a depth of understanding to the complexities of sediment and erosion control in various settings with an appreciation for the many stakeholders who are involved in each scenario.

While CISEC, Inc. seeks to further the knowledge of all members of the stormwater community regarding the importance of competent inspection, we are focused on the registration of high performing individuals that will collectively represent CISEC, Inc. with honesty, integrity and who possess an exceeding ability to provide qualified inspection services. To this end CISEC, Inc. must recognize individuals who exemplify these characteristics and reward their skills and credibility.

ELIGIBILITY

This opportunity is available to both inspectors meeting the minimum experience qualifications of the CISEC, Inc. application and to those that are seasoned compliance inspectors who by contrast possess vast experience.

APPLICATION PROCESS

In order to receive scholarship consideration an individual must submit the following:
